WHEREAS, the position of Inspector General became vacant on August 23, 2024 upon the resignation of the incumbent before the expiration of his term of office which was July 1, 2022 to June 30, 2026;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Board's Inspector General shall be under the Board's jurisdiction;

WHEREAS, the Board hereby acknowledges the appointment of Amber Nesbitt by the Mayor of the City of Chicago as the Board's Acting Inspector General effective August 23, 2024 and until such time a permanent successor is appointed;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General shall have "authority to conduct investigations into allegations of or incidents of waste, fraud, and financial mismanagement in public education within the jurisdiction of the Board by a local school council member or an employee, contractor, or member of the Board or involving school projects managed or handled by the Public Building Commission";

WHEREAS, Section 34-13.1 of the Illinois School Code provides that, in addition to the Inspector General's express authority to conduct the specific investigations outlined in the statute, the Inspector General shall perform other duties requested by and at the direction of the Board;

WHEREAS, Board Rule 3-8 specifies that the Board may acknowledge by Board Resolution the Mayor's appointment of an individual to serve as Inspector General and specify in such Resolution any additional duties and requirements in effect during the tenure of such appointment;

WHEREAS, Board Rule 3-8 provides that the Inspector General "shall investigate allegations of fraud, waste and financial mismanagement in the District by a Local School Council member or an employee, contractor or member of the Board or involving school projects managed or handled by the Public Building Commission and shall perform other duties requested by the Board including, but not limited to, investigations into employee misconduct, including allegations of criminal activity by employees;"

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General shall be independent of the operations of the Board and "shall have access to all information and personnel necessary to perform the duties of the office" but does not provide for the retention of legal counsel to provide advice to the Inspector General;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General "shall have the power to subpoena witnesses and compel the production of books and papers pertinent to an investigation authorized by this Code" but does not outline the mechanism for enforcement of a subpoena issued by the Inspector General; and

WHEREAS, Section 34-11 of the Illinois School Code provides that the Board "by a majority vote of its full membership shall appoint a general counsel (the "General Counsel") who shall have charge and control, subject to the approval of the Board, of the law department and of all litigation, legal questions and such other legal matters as may be referred to the department" by the Board.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO THAT:

1. In addition to those duties conferred upon the Acting Inspector General by the Illinois School Code and Board Rules, the Acting Inspector General is hereby empowered to investigate reports of sexual misconduct by employees, vendors, or volunteers where a CPS student may be the victim. The Acting Inspector General shall carry out these duties in accordance with the following guidelines:
 - (a) The Acting Inspector General shall report to the Board on a monthly basis, including the number of reports received, the number of claims under investigation, the employees and schools involved, the nature of the allegations, and the status of any person subject of an investigation;
 - (b) The Acting Inspector General shall have sole responsibility within the Chicago Public Schools and the Board of Education for the investigation of all reported incidents described in Section 1 of this Resolution, however, the Acting Inspector General shall reasonably and appropriately cooperate with CPS staff and attorneys to ensure that employee discipline is not delayed and that information regarding the status of abuse reports and investigations are shared on a timely basis; and
 - (c) Decisions regarding discipline, including termination, shall remain solely under the purview of the Chief Executive Officer of the Chicago Public Schools (“CEO”) and the Board. The Board and the CEO, however, shall reasonably and appropriately cooperate with the OIG to ensure that criminal investigations are not unduly jeopardized by the timing of discipline or termination.
2. The Board further directs the Acting Inspector General to conduct a review of sexual misconduct cases dating back to at least the year 2000, and further if determined necessary by the Acting Inspector General or the Board President.
3. The Board commits to providing the additional funding and resources necessary so that the Acting Inspector General can perform the tasks detailed in Sections 1 and 2.
4. In performing the duties outlined in the Illinois School Code, this Resolution, and Board Rules, the Acting Inspector General shall report directly to the Board and shall provide reports to the CEO and the Title IX Officer with respect to investigations of alleged Title IX violations, except in the following circumstances:
 - (a) If the Acting Inspector General believes, in connection with a specific investigation, that the duties of the Acting Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the Acting Inspector General shall provide reports to the CEO, the Acting Inspector General shall report this matter to the Board immediately upon identifying the potential conflict. Based upon the Acting Inspector General's initial report of such a matter, the Board will then provide additional direction regarding subsequent reporting in connection with the matter.
 - (b) If the Acting Inspector General believes, in connection with a specific investigation, that the duties of the Acting Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the Acting Inspector General shall report to the Board, the Acting Inspector General shall report this matter to outside legal counsel immediately upon identifying the potential conflict and shall request that outside legal counsel prepare a legal opinion regarding whether there exists a conflict that precludes the Acting Inspector General from reporting the matter to the Board. To the extent that the legal opinion indicates that there is such a conflict, the Acting Inspector

General's outside counsel shall also advise the Acting Inspector General regarding the legal requirements of reporting the matter at issue. If the legal opinion does not indicate the existence of such a conflict, the Acting Inspector General shall report the matter to the Board as outlined above.

5. The Board also requests that the General Counsel provide legal counsel to the Acting Inspector General as required to assist the Acting Inspector General in performing the duties outlined in the Illinois School Code, this Resolution, and Board Rules, except in the following circumstances:
 - (a) If the Acting Inspector General believes, in connection with a specific investigation, that the duties of the Acting Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the General Counsel shall provide legal counsel to the Acting Inspector General as outlined herein, the Acting Inspector General shall report this matter to the Board immediately upon identifying the potential conflict. Based upon the Acting Inspector General's initial report of such a matter, the Board will then provide additional direction regarding subsequent retention of legal counsel regarding reporting of the matter.
 - (b) If the Acting Inspector General believes, in connection with a specific investigation, that the duties of the Acting Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with (1) the requirement that the General Counsel shall provide legal counsel to the Acting Inspector General and (2) with reporting the matter to the Board as outlined in the preceding paragraph, the Acting Inspector General shall report this matter to outside legal counsel immediately upon identifying the potential conflict and shall request that outside legal counsel prepare a legal opinion regarding whether there exists a conflict that precludes the Acting Inspector General from reporting the matter to the Board. To the extent that the legal opinion indicates that there is such a conflict, the Acting Inspector General's outside counsel shall also advise the Acting Inspector General regarding the legal requirements of reporting the matter at issue. If the legal opinion does not indicate the existence of such a conflict, the Acting Inspector General shall report the matter to the Board as outlined above.
6. The Board further requests that the General Counsel represent the Acting Inspector General in all instances in which the enforcement of a subpoena issued by the Acting Inspector General is necessary. If the Acting Inspector General believes there is conflict with the Board and/or the Chicago Public Schools, including the Law Department, outside counsel may be appointed to represent the Acting Inspector General in such enforcement issues according to the conflict provisions above.
7. The Board shall retain counsel acceptable to the Acting Inspector General to provide legal counsel in those circumstances where this Resolution authorizes the Acting Inspector General to seek the advice of outside legal counsel rather than the General Counsel.
8. This Resolution shall take effect upon the appointment date and shall remain in effect until amended or rescinded by further Board action for the tenure of the Acting Inspector General's appointment including any renewals thereof.

This Policy includes the minimum retention requirements that apply to items in specific Google Workspace Applications which are implemented by the Office of Information and Technology Services ("ITS") for the District. The minimum retention requirements for items created, received, and maintained in the Google Workspace Applications included in the policy apply throughout the District to all student and non-student users. The minimum retention requirements have been established by the Local Records Commission of Cook County ("Commission").

In accordance with the Local Records Act and the Board's Records Management and Retention Policy, the Commission establishes the record retention periods for District records based on each record's legal, fiscal, administrative, and historical value. The retention period for each record can be found in the District's records retention schedule. Non-student users, including District employees, officers, temporary employees, interns, vendors, consultants, contractors, and authorized agents and volunteers, are required to save each item outside of these Google Workplace Applications if the item qualifies as a record that must be retained for a longer time period as required in the Board's records retention schedule.

A. Mailbox Size and Management

The Board's ~~E-Mail~~ email and collaboration application system is to be used as a method of communication among employees and other authorized users for business purposes. It is not intended to be a medium in which to permanently store electronic information. Where the ~~Office of Information and Technology Services ("ITS")~~ has mailbox size or attachment restrictions in place, Users are required to manage the space in their mailbox appropriately. The retention periods described in this Policy do not guarantee that a User's mailbox size will accommodate the storage of all ~~E-Mail~~ email messages for the duration of the retention period. Therefore, Users should regularly review their messages and take timely action on long term retention needs. To stay within mailbox size limitations, ~~E-Mail~~ email messages with large attachments should be saved to offline storage or printed immediately and then deleted from the mailbox.

B. Retention Period

1. E-Mail Email messages and attachments, Google Group Posts, and Google Chats and Note ~~items~~ more than one (1) year in age will be automatically deleted by ITS from a User's mailbox the

~~system. Any E-Mail messages and Note items, including document attachments that need to be retained for longer than one (1) year either (a) pursuant to law, (b) an order of a court, (c) at the direction of the Board's Law Department, (d) pursuant to the Board's records retention schedule registered on file with and approved by the Local Records Commission or that have administrative or historical value must be printed out or copied to offline or local storage by the User.~~

~~ITS shall implement a system to suspend the Board's routine for destroying E Mails outlined herein when requested as part of a litigation hold by the Law Department. This suspension will be in place until ITS is directed otherwise by the Law Department.~~

~~2. Electronic Google Calendars and Task items, and Meet items located on the E-mail system email and collaboration application system (Google Workspace) will be available for a period of more than two (2) years in age will be automatically deleted by the system.~~

~~Any Google Workplace Application item, including attachments that need to be retained for longer than the minimum retention requirements of one (1) year or two (2) years either (a) pursuant to law, (b) an order of a court, (c) at the direction of the Board's Law Department, (d) pursuant to the District's records retention schedule on file with the Commission or that have administrative or historical value must be printed out or copied to offline or local storage by the User.~~

~~ITS shall implement a system to suspend the District's routine for destroying emails outlined herein when requested as part of a litigation hold by the Law Department. This suspension will be in place until ITS is directed otherwise by the Law Department.~~

C. E-Mail Email and Collaboration Applications Archive

~~E-Mail messages may be public records and therefore, beginning November 1, 2007, the Board's E-Mail system will utilize an archive system that will automatically record and retain User E-Mail messages for a period of one year. ITS will automatically destroy archived E-Mail messages more than one (1) year in age in accordance with this Policy and the Board's records retention schedule registered with and approved by the Local Records Commission. This retention period and purge process will be applied automatically to a User's archived E-Mails except when a User's E-Mails messages and resources have been quarantined for litigation purposes.~~

~~Information in the Google Workplace Applications may be public records and therefore, the District's email and collaboration application system will utilize an archive system that will automatically record and retain User Google Workplace Application items in accordance with the retention periods listed in this section. The system will automatically destroy archived Google Workplace Application items in accordance with this Policy. The retention period and purge process will be applied automatically to a User's archived Google Workplace Application items except when a User's email messages and resources have been quarantined for litigation or for other limited, justified purposes as determined by the Law Department.~~

**AMEND BOARD REPORT 08-0924-PO2
ACCOUNTS RECEIVABLE POLICY**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

That the Board amend Board report 08-0924-PO2, Accounts Receivable policy, in response to the biennial review requirement in Board Rule 2-6.

Purpose:

Establishing the administrative requirements in this policy will ensure the uniform implementation and management of tracking and collecting receivables. This policy will help prevent unreimbursed allocations and delays in deposits while providing a centralized source for payment inquiry. Certain debts are inevitably uncollectible and this policy is required to establish the methodology for removing debt from the books and records.

POLICY TEXT:

I. CPS Receivables

Whereas many central office departments have agreements with other organizations for the reimbursement of Chicago Public School's expenses, the Chicago Public Schools maintains one payment location for the central office. All payments received by central office departments must be submitted to the Accounts Receivable Unit for deposit on the same day as it is received. All payments will be entered into the Oracle Accounts Receivable Module for tracking and audit purposes. All invoices submitted by any central office unit to a third party must contain an Accounts Receivable Invoice Number and the Accounts Receivable address for the payment location. This information is obtainable from the Revenue Unit, Accounts Receivable Team ~~Division of Revenue, Accounts Receivable Unit~~ Accounts Receivable Unit. The invoicing department will be required to identify the due date, amounts, description of services, inquiry contact and phone number, and Oracle budget line to reimburse.

II. Rebates and Refunds

Rebates and refunds offered by retailers, manufacturers, or service providers based on usage or sales volumes will be credited to the general fund and appropriated as determined by the Office of Management and Budget.

III. Write-offs

~~Pursuant to Board Rule 5-32,~~ The Chief Financial Officer shall have the authority to determine if a receivable totaling \$50,000 or under is uncollectible and should be removed from the general ledger based upon a review of the circumstances. The Board shall authorize all write-offs of \$50,001 or more through board action. The Chief Financial Officer shall submit an annual report to the Board at the November board meeting of all write-offs and maintain a listing of uncollectible invoices and provide this listing to the General Counsel, Chief Officer of Human Resources and Chief Purchasing Officer to prevent future board actions, supplier payments or the rehiring of the debtor. Removing the receivable from the general ledger shall not preclude the Chief Financial

Officer from seeking collection through legal action initiated by the Board or third party collection efforts.

As a general rule, receivables should be written off when the expected costs of further collection efforts exceed the expected benefits.

IV. Collection Policy

The Chief Financial Officer has the authority to refer debts owed to the Chicago Public Schools to a third party collection firm for collection. All referred debts will be reviewed by the General Counsel prior to being referred out to a third party collection firm that has a contract with the Chicago Public Schools.

**AMEND BOARD REPORT 17-1025-PO2
ACCOUNTING AND FINANCIAL
REPORTING FOR CAPITAL ASSETS POLICY**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

That the Board amend Board Report 17-1025-PO2, Accounting and Financial Reporting for Capital Assets Policy in response to the biennial review required by Board Rule 2-6.

PURPOSE:

The “Policy on Capital Assets” defines requirements for accounting for capital assets and expands upon the “Policy on Asset Management” to identify capital asset categories, capitalization thresholds, useful lives, in-service dates, and depreciation methods.

SCOPE:

This policy covers all assets purchased, constructed or donated that meet or exceed the established capitalization thresholds and useful lives as defined in Section II B. Capitalization Thresholds and Useful Lives.

APPLICABILITY:

This policy applies to all CPS organizational units, including central office departments, network offices, and schools. Adherence to this policy is necessary to comply with federal and state regulations, governmental accounting standards, and to maintain adequate internal control over financial reporting and accounting for capital assets. In addition, Illinois Administrative Code Title 23 Part 100 Section 100.60 (23 IL 100.60.a) requires each school board to adopt a capitalization threshold in order to properly account for capital assets. Finally, proper accounting for capital assets is necessary in order to comply with generally accepted accounting principles as promulgated by Government Accounting Standards Board (GASB) Statements 34, 42, 51, 62, 87, 94, 96 etc. and subsequent amendments.

POLICY TEXT:

I. CAPITAL ASSET DEFINITIONS

Capital assets are real or personal property that have a value equal to or greater than the capitalization threshold for the particular classification of the asset and have an estimated life of greater than a year.

A. Classification of Capital Assets

Assets purchased, constructed or donated that meet or exceed the established capitalization thresholds or minimum reporting requirements must be uniformly classified. CPS records assets in the following categories:

- Land
- Buildings
- Building improvements
- Leasehold improvements
- Personal property (including equipment and furniture)
- Works of art and historical treasures
- Intangible assets
- Construction in progress

B. Classification Definitions

“Land” is the surface of the earth, which can be used to support structures and may be used to grow crops, grass, shrubs, and trees. Land is characterized as having an unlimited life.

“Buildings” are structures that are permanently attached to the land, have a roof, are partially or completely enclosed by walls, and are not intended to be transportable or moveable.

“Building improvements” are capital events that materially extend the useful life of a building or increase the value of a building by at least 25 percent of the original life period or cost, or both. For a replacement to a portion of a building to be capitalized, it must be part of a major repair or rehabilitation project, increase the value and/or useful life of the building, and be of significantly improved quality and higher value compared to the replaced portion. Replacement or restoration to original utility level is not capitalized.

“Leasehold improvements” are improvements made to existing structures by the lessee, who has the right to use these leasehold improvements over the term of the lease. These improvements will revert to the lessor at the expiration of the lease. Moveable equipment or office furniture that is not attached to the leased property is not considered a leasehold improvement.

“Personal property” is any movable tangible asset used for operations, the benefits of which extend beyond a year from the date acquired and rendered into service. Improvements or additions to existing personal property that constitute a capital outlay or increase the value or life of the asset by 25 percent of the original cost or life will be capitalized as a betterment and recorded as an addition of value to the existing asset. Note: Costs of extended warranties and/or maintenance agreements, which can be separately identified from the cost of the equipment, will not be capitalized.

“Works of art and historical treasures” are collections or individual items of significance which are not held for financial gain, but rather for public exhibition, education or research in furtherance of public service.

“Intangible assets” are assets that have these three characteristics: lack physical (tangible) substance, nonfinancial in nature, and initial useful life that is greater than one reporting period (see GASB 51, GASB 87, GASB 96, and GASB 94). Intangible capital assets include:

1. Major computer system software – Any trademarked software package that is purchased or donated which comprises or adds to the useful life of the legacy database systems, the Oracle™ database system, or the Peoplesoft database system.
2. Minor computer system software – Any trademarked software package that is purchased or donated, or software that is internally developed to create new systems, that is not classified as Major Computer System Software.
3. Intangible right-to-use leased asset – Lease agreements that are capitalized under GASB 87 include an intangible right-to-use leased asset which is valued at the net of the present value of the lease agreement upon capitalization and related accumulated amortization for that lease.
4. Intangible right-to-use subscription asset – Subscription-based information technology arrangements (SBITA) that are capitalized under GASB 96 include an intangible right-to-use subscription asset which is valued at the net of the present value of the SBITA agreement and related accumulated amortization for that SBITA.
5. Intangible right-to-use PPP asset – PPP arrangements that are recognized under GASB 94 include an intangible right-to-use PPP asset which is measured based on the guidance provided by GASB 94.

“Construction in progress” is the economic construction activity status of assets (buildings, building improvements, software, etc) which are substantially incomplete.

II. CAPITAL ASSET GUIDELINES

A. System of Record and Tracking

Initial purchases are first recorded via vendor invoice entry into the District's designated software system for disbursements, then compiled by location and project and recorded for capital asset financial reporting purposes. Donated assets and other non-monetary transactions will be recorded directly in the financial reporting software. In addition to the data elements identified in the "Policy on Asset Management," capital asset records should include the following:

- In service date
- Useful life
- Depreciation method

B. Capitalization Thresholds and Useful Lives

Capitalization thresholds and useful lives for each asset class are as follows:

Class of Asset	Threshold	Useful Lives
Land	Capitalize All	N/A
Buildings	Capitalize All	50 years
Building improvements	Capitalize All	25 years
Leasehold improvements	Capitalize All	Remaining term of lease
Personal property (including Equipment)	\$25,000	5 years
<u>Aggregated Assets*</u>	<u>\$25,000</u>	<u>5 years</u>
Works of art/historical treasures	Capitalize All	N/A
Intangible assets		
Major software	\$25,000	20 years
Minor software	\$75,000	3 years
<u>Intangible right-to-use leased asset</u>	<u>\$25,000</u>	<u>Term of lease</u>
<u>Intangible right-to-use subscription asset</u>	<u>\$25,000</u>	<u>Term of agreement</u>
<u>Intangible right-to-use PPP asset</u>	<u>\$25,000</u>	<u>Term of agreement</u>
Construction in progress	Capitalize All	N/A

**Aggregated Assets includes multiple assets purchased as a group that have been capitalized under GASB Implementation Guide 2021-1. See section D below for details.*

C. Capital Asset Acquisition Cost

Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Historical cost includes the vendor's invoice plus the value of any trade-in or educational allowance, initial installation cost, modifications, attachments, accessories or apparatus necessary to make the asset usable and render it into service. Historical cost also includes ancillary charges such as freight and transportation charges, site preparation costs and professional fees.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Capitalization of computer software includes software license fees if the total dollar amount of the fee divided by the number of units served (terminal or user count) meets the criteria to capitalize

the purchase.

Internally developed software costs associated with the preliminary project and the post-implementation/operating phases should be expensed as incurred. Capitalization of costs should begin when the preliminary project phase is complete and management has explicitly authorized or commits to funding the software project with the intent it will be completed and used to perform its planned functions. Capitalization should cease no later than the time at which substantial testing is complete and the software is ready for its intended purpose or rendered in service.

During the application development phase, internal and external costs should be capitalized, including costs to develop or obtain software that allows for access or conversion of old data by new information systems. General and administrative costs and overhead expenditures associated with software development should not be capitalized as costs of internal use software.

D. Aggregation and Capitalization of Groups of Assets

Per GASB Implementation Guide No. 2021-1, governments are able to aggregate purchased assets whose individual acquisition costs are less than the capitalization threshold if those assets in aggregate are significant and exceed the capitalization threshold. This enables governments to ensure that all significant capital assets are collectively capitalized.

CPS will aggregate and capitalize the costs related to all electronic devices (iPads, laptops, tablets, etc.) that are purchased on an annual basis through the Information Technology Department's standard processes which ensure that each student and staff member (as applicable) are issued a device. The Information Technology Department in cooperation with the Asset Management Department maintains inventory details related to these devices and completes annual procedures to determine obsolescence and impairment of the devices, replaces and issues devices as necessary and to ensure adequate safety stock for the District. These capitalized assets will be depreciated on a straight-line basis as discussed within section H below.

E. Leased Assets : (Land, Building, Vehicle & Equipment)

~~Per GASB Statement No. 62, assets should be capitalized if the lease agreement meets any one of the following criteria:~~

- ~~• The lease transfers ownership of the property to the lessee by the end of the lease term.~~
- ~~• The lease contains a bargain purchase option.~~
- ~~• The lease term is equal to 75 percent or more of the estimated economic life of the leased property.~~
- ~~• The present value of the minimum lease payments at the inception of the lease, excluding executory costs, equals at least 90 percent of the fair market value of the leased property.~~

Per GASB Statement No. 87, a lease is defined as a contract that conveys both (1) the right to obtain the present service capacity of an underlying asset and (2) the right to determine the nature and use of the underlying asset as identified within the contract. Examples of nonfinancial assets that may be leased include buildings, land, vehicles and equipment. Leases may include contracts that are not explicitly defined as leases and excludes leases of intangible assets, biological assets, leases of inventory, service concession arrangements, supply contracts and other similar items.

A lease that meets the criteria above should be capitalized if it meets the following criteria:

- the lease term exceeds 12 months, and
- the present value of the lease exceeds the capitalization threshold of \$25,000.

Leases that do not meet any of the above requirements should be recorded as operating leases above are not required to be capitalized as a lease under the guidance.

Upon capitalization, the following must be recognized by the organization as either the lessor (landlord) or lessee (tenant):

Lessor:

1. Lease receivable asset valued at the present value of lease payments expected to be received during the life of the lease less any estimated uncollectible amounts, and
2. Deferred inflow of resources at the amount of the lease asset plus any lease payments received at or before the beginning of the lease term related to future periods and less any lease incentives paid to the lessee at the beginning of the lease term.

Lease receivable assets will be reduced by lease payments received over time net of interest revenues. Deferred inflow of resources will be amortized systematically using the straight-line method over the life of the lease.

Lessee:

1. Lease liability valued at the present value of the payments expected to be made over the life of the lease, and
2. Right-to-use lease asset at the amount of the lease liability plus any lease payments made to the lessor at or before the beginning of the lease term related to future periods and any initial direct costs required to place the leased asset into service.

Lease liabilities will be reduced by lease payments made over time net of interest expenses. Right-to-use lease assets will be amortized systematically using the straight-line method over the life of the lease.

Modifications and Terminations:

Lease agreements may be modified or terminated prior to the contractual end date. Modifications and terminations of contracts will be reassessed in accordance with the guidance provided by GASB 87 and appropriate accounting treatment will be used to record these changes per the guidance.

F. Public-Private and Public-Public Partnerships and Availability Payment Arrangements

Per GASB Statement No. 94, a public-public partnership (“PPP”) is defined as an arrangement in which one government contracts with another government to provide public services by conveying control of a nonfinancial asset – such as infrastructure or another capital asset (the underlying PPP asset) such as land, buildings, vehicles and equipment – for a period of time in an exchange or exchange-like transaction. A PPP under GASB 94 may meet the definition of a lease under GASB 87 and be subject to the guidance provided by GASB 87 provided that the transferred assets are the only underlying PPP assets, the assets are not required to be improved as part of the agreement and the PPP does not meet the definition of a service concession arrangement (“SCA”).

Public-Private and Public-Public Partnerships

Transferor:

If an underlying PPP asset is an existing asset of the transferor at the time of the commencement term, the transferor should recognize the following at the commencement of the PPP term:

- The underlying PPP asset at its carrying value and continue all other accounting and financial reporting requirements related to the asset including depreciation and impairment.
- A receivable for installment payments at the present value, if any, to be received in

- relation to the PPP, and
- A deferred inflow of resources related to the PPP as provided by the guidance.

If an underlying PPP asset is *purchased or constructed* by the operator, the transferor should recognize the following when the PPP asset is placed into service:

- A receivable for the underlying PPP asset purchased or constructed to be received from the operator based on the estimated carrying value of the underlying PPP asset on the expected date that ownership is transferred from the operator to the transferor.
- A receivable for installment payments at the present value, if any, to be received in relation to the PPP, and
- A deferred inflow of resources related to the PPP as provided by the guidance.

Operator:

If an underlying PPP asset is an *existing* asset of the transferor at the time of the commencement of the PPP term, the operator should recognize the following:

- A liability for installment payments at present value, if any, to be made in relation to the PPP, and
- An intangible right-to-use asset related to the PPP as provided by the guidance.

If an underlying PPP asset is a *new asset purchased or constructed* by the operator, the operator should recognize the underlying PPP asset until ownership of the PPP asset is transferred to the transferor, if applicable. The operator should continue to apply other accounting and financial reporting requirements related to the asset including depreciation and impairment. When the underlying PPP asset is placed into service, the operator should recognize the following:

- A liability for the underlying PPP asset based on the estimated carrying value of the underlying PPP asset as of the expected date of the transfer of ownership to the transferor, if applicable.
- A liability for installment payments at present value, if any, to be made in relation to the PPP, and
- A deferred outflow of resources for the underlying PPP asset to be transferred to the transferor as provided by the guidance.

Service Concession Arrangement

An SCA is a PPP arrangement between a transferor and operator in which the right and obligation to provide public services through the use and operation of the underlying PPP asset in exchange for significant consideration (up-front payments, installment payments, new facility, improvements to a new facility, etc.) and the operator collects and is compensated by fees from third parties. Further, under an SCA, the transferor determines or has the ability to modify or approve what services an operator is required to provide and the rates to be charged for said services and the transferor is entitled to significant residual interest in the service utility of the underlying PPP asset at the end of the arrangement.

Transferor:

Under an SCA, the transferor will recognize the following items:

- An asset for the purchased or constructed underlying PPP asset when the underlying PPP asset is placed into service.
- A receivable for installment payments expected to be received during the PPP term, if any, to be received related to the PPP at the commencement of the PPP term, and
- A deferred inflow of resources related to the PPP at the commencement of the PPP term.

Operator:

Under an SCA, the operator will recognize the following items:

- A liability for installment payments, if any, to be made in relation to the PPP at the commencement of the PPP term, and
- A right-to-use asset for the underlying PPP asset at the commencement of the PPP term.

Availability Payment Arrangements (“APA”)

An APA is an agreement in which a government enters into a contract with an operator to design, construct, finance, operate and maintain an asset in exchange for fixed payments designed to compensate the operator for those services and variable payments made to the operator based on whether certain measures have been met. An APA may have multiple components and may require treatment as separate components based on the guidance provided.

Components of an APA related to design, construction, or financing of a nonfinancial asset in which ownership of the asset transfers to the government by the end of the contract should be reported as a financed purchase by the government of the underlying nonfinancial asset.

Components of an APA related to providing services for the operation or maintenance of the nonfinancial asset should be accounted for as outflows of resources by the government for the period in which the payment relates.

G. Subscription-Based Information Technology Arrangements

Per GASB Statement No. 96, Subscription-Based Information Technology Arrangements (“SBITAs”), a SBITA is a contract that conveys the right to use another party’s IT software – alone or in combination with tangible IT assets (such as GASB 87 related assets) – for the duration of the agreement in an exchange or exchange-like transaction. The government must obtain both (1) the right to obtain the present service capacity from use of the underlying IT asset(s) and (2) the right to determine the nature and manner of use of the underlying IT asset(s) as specified in the contract. SBITAs may include contracts that are not explicitly defined as a SBITA and specifically excludes contracts that solely provides IT support services.

A SBITA that meets the definition above should be capitalized if it meets the following criteria:

- the SBITA term is longer than 12 months, and
- the present value of the SBITA exceeds the capitalization threshold of \$25,000.

SBITAs that do not meet the requirements above are not required to be capitalized as a lease under the guidance.

Upon capitalization, the following must be recognized by the organization:

- Subscription liability valued at the present value of all subscription payments expected to be made during the life of the agreement plus any other payments made to the vendor associated with the contract and any incentives or penalties related to the agreement, and
- Subscription asset at the value of the subscription liability plus any payments made to the vendor at the commencement of the agreement term and any capitalizable implementation costs related to the SBITA.

The subscription liability will be reduced by SBITA payments made over time net of interest expenses. The subscription asset will be amortized systematically using the straight-line method over the life of the SBITA.

Modifications and Terminations:

SBITA agreements may be modified or terminated prior to the contractual end date. Modifications and terminations of contracts will be reassessed in accordance with GASB 96 and appropriate accounting treatment will be used to record these changes per the guidance.

H. Depreciation Method

Capital asset costs are depreciated over their estimated useful lives. The straight-line

depreciation method (historical cost divided by useful life) will be used. Depreciation expense and accumulated depreciation will be calculated in the system of record and posted to the accounting general ledger on a monthly basis.

Land and works of art and historical treasures are deemed inexhaustible and are not depreciated.

Depreciation is not applicable while assets are accounted for as Construction in Progress.

Buildings designated as "historical" by the City of Chicago will not be depreciated unless used in the operations of CPS. However, building improvements not deemed "historical" by the City of Chicago will be depreciated the same as any other building improvements.

Leasehold improvements are amortized over the shorter of (1) the remaining lease term (as determined by the guidance), or (2) the useful life of the improvement. ~~If the lease contains an option to renew and the likelihood of renewal is uncertain, the leasehold improvement is amortized over the life of the initial lease term or useful life of the improvement, whichever is shorter.~~

Intangible right-to-use assets (discussed within section B above) that relate to GASB pronouncements 87, 94 and 96 will be amortized on a straight-line basis over the life of the related agreement. An accumulated amortization account will be maintained in the accounting general ledger annually to present the net carrying value of these assets.

I. **Impairments**

Per Statement No. 42 of the Governmental Accounting Standards Board, "governments are required to evaluate prominent events or changes in circumstances affecting capital assets to determine whether impairment of a capital asset has occurred. Such events or changes in circumstances that may be indicative of impairment include evidence of physical damage, enactment or approval of laws or regulations or other changes in environmental factors, technological changes or evidence of obsolescence, changes in the manner or duration of use of a capital asset, and construction stoppage. A capital asset generally should be considered impaired if both (a) the decline in service utility of the capital asset is large in magnitude and (b) the event or change in circumstance is outside the normal life cycle of the capital asset."

The general ledger and fixed asset subledger book value of impaired assets will be reduced to reflect the impairment amount. Impaired assets will not be retired from the general ledger and fixed asset subledger until disposal.

J. **Disposals and Retirements**

Disposal of capital assets purchased with grant funds must be coordinated with the appropriate grant administrator. Disposal of capital assets purchased with bond funds must be coordinated with the CPS Treasury Department.

Upon disposal, capital assets and their related accumulated depreciation are removed from the general ledger and fixed asset subledger. The use of proceeds from the sale of capital assets may be restricted, depending on the funding source used to purchase the assets.

**RESCIND BOARD REPORT 08-0625-PO1
FORMAL GOVERNANCE STRUCTURE FOR THE CHICAGO PUBLIC SCHOOLS' HEAD START
PROGRAM**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Rescind the following outdated Board Policy for the reason stated below:

<u>Board Report & Policy Section Numbers</u>	<u>Policy Name</u>	<u>Reason for Rescission</u>
08-0625-PO1, Policy 602.4	Formal Governance Structure for the Chicago Public Schools' Head Start Program	This policy should be rescinded to reflect the fact that Chicago Public Schools has not run Head Start programs for several years. All district run Pre-K programs are funded through the state's Early Childhood Block Grant.

Introduction

The Chicago Public Schools ("CPS") works with parents and community members to implement a high quality Head Start program ("the program"). The Chicago Department of Children and Youth Services ("CDCYS") receives Head Start and Early Head Start grant funds ("Head Start funds") from the United States Department of Health and Human Services. CDCYS, as a grantee agency, provides Head Start funds annually to the Chicago Board of Education ("Board") under a Delegate Agency Agreement. The governing structure for the program involves a sharing of responsibility between the Board (as a delegate agency), the management staff of the CPS Office of Early Childhood Education ("OECE") as defined in this policy to mean CPS Head Start Management staff and the CPS Early Childhood Education Officer, parents of Head Start students and concerned community members. By working in effective partnership, these parties can ensure that the program provides the effective early childhood education services that help prepare children for school. The purpose of this policy is to set forth the formal governing structures that are needed for the program to successfully provide early childhood education services to low-income children. The governing structures described herein represent those which previously have been used to ensure that the CPS Head Start program fulfills its mission of helping to prepare many of the city's children for school.

POLICY TEXT:

I. FORMAL GOVERNANCE STRUCTURE OF CHICAGO PUBLIC SCHOOLS' HEAD START PROGRAM

The federal regulations controlling the governance of the CPS Head Start program mandate that three parties work together to oversee the program. These parties are the delegate agency which is the Board; OECE Head Start Management staff; and the Head Start Policy Committee ("PC" or "committee"). The PC consists of parent representatives whose children are enrolled in Head Start, community representatives from the local community who are familiar with resources and services for low-income children and families, and a Board member representative.

A. The Board

The Board is the program's governing body and, as such, it has legal and fiscal

responsibility for administering the program. In order to facilitate communication and effective partnership between the Board and the PC on matters pertaining to governance of the program, the Board shall select one of its members to serve concurrent membership on the PC as a Board member representative. If the named Board member cannot attend a monthly meeting, he/she shall choose a designee to participate in the Policy Committee.

B. CPS Head Start Management Staff

The CPS Head Start Management staff shall have responsibility for all aspects of the day-to-day operations of the Head Start program. In addition, Head Start Management staff shall serve as a liaison between the Board and the PC by providing both groups with regular and accurate information about the operation of the Head Start program which may be needed for the parties to make informed governing decisions. Selected Head Start Management staff shall attend meetings of the PC as consultants, providing expert assistance to the committee as requested. Additionally, the Head Start Management staff shall provide members of the PC with training regarding such areas as budget and program planning and applying for program funding.

C. Policy Committee

The PC works in partnership with the Board and Head Start Management staff to effectively govern the program. PC parent and community representatives are elected annually to ensure wide parental and community participation in the program's governing process. The PC shall help to formulate the policies, goals and the philosophy for the Head Start program. The PC shall serve as a link between the Board, Head Start Management staff, public and private organizations, parents and the communities which the program serves.

II. PROCEDURES FOR SELECTING THE POLICY COMMITTEE

The following procedures shall govern the composition, selection and term of members to the Policy Committee:

A. Composition of the Policy Committee

The PC must include either parents, legal guardians, or foster parents of currently enrolled children and community members, with parents of currently enrolled students making up at least 51% of the representatives. The composition of the Head Start PC shall consist of the following:

1. Parents, legal guardians, or foster parents of students currently enrolled in the Head Start program who shall comprise at least two-thirds of the committee's membership;
2. Community representatives who shall comprise no more than one-seventh of the committee's membership and who shall be:
 - a. former Head Start parents, legal guardians, or foster parents who no longer have children in the program; or
 - b. members of the community who have a sincere interest in Head Start and can contribute to the work of the PC.
3. One Board member chosen by the Board to serve as a Board member representative to the PC. The Board member representative shall be a non-voting member of the PC.

No CPS or Board staff or members of their immediate families may serve on the PC except parents who occasionally substitute for regular program staff.

B. Term of Policy Committee Members

Individuals may serve on the PC as either a parent or a community representative for no more than three one-year terms on the PC. For example, an individual who has served two years as a parent representative may serve as a community representative for only one term.

1. Parent representatives may serve a total of three years on the PC based on the following guidelines:
 - a. terms shall start and end in October;
 - b. parent representatives may be elected for succeeding one-year terms totaling no more than three years, provided that they have a child currently enrolled in the CPS Head Start program at the time of each election.
2. Community representatives may serve as PC members for no more than three years based on the following guidelines:
 - a. terms shall start and end in October;
 - b. three years of service as a PC community representative may be served successively or intermittently.
3. The Board member representative shall serve as a PC member until such time as the Board appoints a new Board member representative to serve on the PC. If the Board member representative is not able to continue participation on the PC, the Board shall appoint a new Board member to serve on the PC.
4. Parent and Community Representative Vacancies

If a parent or community representative is not able to continue participation on the PC or a representative misses three consecutive PC meetings without providing notification, then the representative's position shall be considered vacant and the position shall be filled pursuant to the procedures described in (I)(C) below.

C. Procedures for selection of Policy Committee Members

1. Parent Representatives

The structure of parental involvement in the governance of Head Start ensures the participation of parents with children in the program. A Parent Committee assists in the governance of each Head Start center. Every Parent Committee elects a representative to one of the two Head Start areas (North and South). Finally, the PC enables parents, legal guardians and foster parents to work in partnership with the Board and Head Start Management staff to govern the CPS Head Start program.

The following procedures shall apply to the election of parent representatives to the PC:

- a. all parent representatives shall be elected from the representatives to the two Head Start areas;
 - b. each of the areas shall elect fifteen (15) representatives to the PC;
 - c. representatives selected to the PC by each Head Start area should be representative of the cultural and ethnic groups served by the Head Start centers within the area.
- ### **2. Community Representatives**

The presence of community representatives on the PC assures that concerned community members and former Head Start parents, legal guardians and foster parents have the opportunity to participate in the governance of the program.

The following procedures shall apply to the selection of community representatives to the PC:

- a. five (5) community representatives shall be selected by the outgoing PC with nominations and selections for the new community representatives occurring during the last regular meeting of the outgoing PC which normally occurs in September
- b. nominees must provide to the PC relevant information regarding their background and interests, unless the nominee is a former PC community representative; present and former PC parent representatives who wish to be considered for positions as a PC community representative must present their qualifications to the PC

3. Board Member Representative

The presence of a Board member representative on the PC facilitates open communication between the PC and the Board. A member of the Chicago Board of Education shall be appointed by other members of the Board to serve as the Board member representative to the PC. The Board member representative will serve until such time as the Board designates a new Board member representative to serve on the PC.

That the Board amend Board Report 18-0822-PO4, the Volunteer Policy in response to Board Rule 2-6's biennial policy review requirement. This policy was posted for public comment from June 28, 2024 until July 29, 2024.

PURPOSE: This policy shall: (1) ensure that prospective volunteers are properly vetted and approved annually; (2) ensure that volunteers do not pose undue risk to the health and safety of CPS students and (3) make clear that CPS Principals are responsible for ensuring that volunteers are properly vetted and approved in advance and that approved volunteers are properly supervised while serving as volunteers.

POLICY TEXT:**I. Volunteer Categories:****A. Level I Volunteer. A Level I Volunteer is:**

1. A parent providing volunteer service in their child's school or classroom for 10 or more hours/week;
2. An individual providing volunteer service for 5 or more hours/week at a school where s/he does not have a child enrolled;
3. Any individual chaperoning an overnight school-sponsored trip, regardless of the hours/week that the volunteer serves (See also the Student Travel Policy);
4. Any individual serving in a coaching capacity, regardless of the hours/week that the volunteer serves;
5. Any individual serving as a student teacher, pre-service teacher, pre-service clinician, or other pre-service practicum assignment regardless of the hours/week that the volunteer serves;

9. Any individual providing services to a school through an organization that is not charging the school for such services, and who is not otherwise subject to a criminal background check requirement found in a Board contract with said organization, except as specified in section I.B.3 below.

B. Level II Volunteer. A Level II Volunteer is:

1. A parent providing supervised volunteer service in their child's school or classroom for less than 10 hours/week;
2. Any individual providing volunteer service for less than 5 hours/week at a school where s/he does not have a child enrolled;
3. An individual providing one-day volunteer service with no ongoing individualized interaction with a student(s) including those who speak at a class/assembly, judge academic competitions, give musical performance, participate in the "Principal for a Day" program,

job-shadowing event, corporate philanthropic event, organized community service event or other one-time event provided there is direct supervision of the activity/event by regular school employees;

4. A parent accompanying his/her child's class on a one-day field trip or another type of extra-curricular activity that does not involve an overnight stay; or
5. An individual providing volunteer service on projects/activities involving no or nominal contact with children (home-based volunteer activities, volunteers serving at Central or Network office).

II. Principal Responsibilities:

- A. For Level I and II Volunteers: The principal shall be responsible for all volunteers associated with their school, including those providing services outside of regular school hours.
 1. The principal is responsible for reviewing volunteer application forms from eligible prospective volunteers, completing an interview, as necessary, with the prospective volunteer or his/her sponsoring corporation or other organization and determining whether to recommend the individual for volunteer service to FACE². Decisions about recommending volunteers shall be made based on the needs and best interests of the school as determined by the principal. Each year, before any volunteer is permitted to provide services, the principal must require the volunteer candidate, including volunteers providing services under the sponsorship of a corporation or other organization, to complete an application through FACE² and must not permit the prospective volunteer to perform any services until FACE² has approved the prospective volunteer for service.
 2. Before allowing volunteers to perform services, Principals shall develop a schedule for every volunteer and, when services are performed, require all volunteers to record their start and end time each day of service.
 3. Principals must ensure that all volunteers are properly supervised and, with respect to Level II volunteers, are in line of sight of their supervisor.
 4. Principals have an ongoing responsibility to monitor the volunteers' activities once they've been approved and to ensure they are performing duties consistent with their Level I or Level II status.
 5. If a principal would like an approved Level II volunteer to perform Level I volunteer services, the principal must first re-submit the volunteer to FACE² to complete the Level I registration process. The principal shall ensure the volunteer does not provide Level I services until such time as the individual receives approved Level I status from FACE².
 6. Until such time as the Office of Safety and Security establishes a volunteer photo ID program, the principal shall establish a process to visibly identify individuals who are approved school volunteers (e.g. sticker badge). The principal shall ensure the volunteer wears the identification during the course of their volunteer service.
 7. The Principal shall ensure that their approved volunteers complete the ~~mandated volunteer~~ mandatory training requirements established by the Chief Executive Officer or designee. No individual shall be permitted to volunteer as a Level I or Level II volunteer for any CPS school or program until they have completed the mandatory training requirements, except that any hours spent completing mandatory training requirements may be counted toward the volunteer's hours for any program or

partnership that connects CPS schools and volunteers.

- B. For Level II Volunteers: The principal must ensure that all Level II Volunteers are supervised by a responsible full-time school employee(s) who has the volunteer in his/her line of sight at all times and do not exceed the maximum number of hours or perform services above and beyond that of a Level II volunteer.
- C. Limits on Delegation: The principal may delegate the principal responsibilities identified in this policy only to a responsible Assistant Principal or licensed teacher and only if the principal establishes accountability measures to ensure the requirements of this policy are satisfied with fidelity.

III. Office of Family and Community Engagement in Education (FACE²) Responsibilities:

- A. For every volunteer application that is received, FACE² must:
 - 1. Confirm with the principal the type and nature of services the prospective volunteer will perform and the number of hours the volunteer will be providing said services to the school, including those hours and services performed outside of regular school hours;
 - 2. Request that the Office of Safety and Security perform a search to determine whether the volunteer applicant appears in any of the following Registries:
 - a) Nationwide Sex Offender Registry
 - b) Illinois Sex Offender Registry
 - c) Illinois Violent Offender and Murderer Against Youth Registry; and
 - 3. Request that the Office of Safety and Security perform a search to determine whether the volunteer applicant has been designated as ineligible for CPS re-hire (“DNH”).
- B. For Level I Volunteer applicants, FACE² must:
 - 1. Inform the prospective volunteer that they must submit to a fingerprint-based background check through the Office of Safety and Security, which includes a criminal history check, a CPS employment history check, and check on finding of child abuse and neglect from the Department of Children and Family Services;
 - 2. Inform the principal and prospective volunteer in writing whether the prospective volunteer has cleared the requisite checks and mandatory training and is approved to volunteer; and
 - 3. Specify the services the volunteer is approved to perform and the number of hours the volunteer is approved to perform said services.
 - 4. Ensure that each volunteer is entered into the Board’s mandatory training system, and assign all mandatory trainings to each volunteer. In the event that FACE² becomes aware of any volunteer that has not met these requirements, the volunteer will be immediately barred from working in a school until the training has been completed.
- C. For Level II Volunteer applicants, FACE² must:
 - 1. Inform the principal and volunteer candidate in writing whether the prospective volunteer has cleared the requisite checks and training requirements and is approved to volunteer; and
 - 2. Specify the services the volunteer is approved to perform and the number of hours the volunteer is approved to perform said services.

IV. Volunteer Application: Prospective volunteers must register with FACE² by completing

the required CPS volunteer application forms and satisfying the requirements of the applicant review process each year. Registration is valid for one year only. All volunteers must disclose whether they have been convicted of any criminal offense enumerated in 105 ILCS 5/34-18.5(c). Misrepresentation on any of the application forms or during the review process may result in immediate disqualification of a prospective volunteer.

An individual shall be deemed ineligible to volunteer if s/he has been:

- A. convicted of any criminal offense enumerated in 105 ILCS 5/34-18.5(c) of the Illinois School Code (“Enumerated Offense”);
- B. convicted of an offense that requires him/her to appear on a sex offender registry in any jurisdiction; or
- C. designated as ineligible for rehire by CPS.

An individual with an indicated finding from the Department of Children and Family Services or with a criminal offense that does not per se exclude them from volunteer service may be deemed ineligible to volunteer as determined by the Chief Executive Officer or designee.

- V. **Criminal Background Check:** As part of the review process, the prospective volunteer shall comply with the following criminal background check requirements:
 - A. A fingerprint criminal background check is required for all Level I Volunteers.
 - B. A fingerprint criminal background check is not required for Level II Volunteers, however a principal ~~or the Office of Safety and Security~~ may require a Level II Volunteer to submit to a fingerprint-based criminal background check.

To the extent any other Board rule, policy, contract or grant obligation requires an individual to submit to a criminal background check, this policy shall not be construed to limit or nullify such other requirement. Nothing herein prohibits the Chief Executive Officer or designee from requiring a criminal background check as needed to verify an individual's qualifications to serve as a volunteer or to require a volunteer to complete an additional criminal background check. Nothing herein prohibits the Chief Executive Officer or designee from establishing a modified volunteer application and review process for any district-wide initiative that requires volunteer support.

- VI. **Guidelines:** The Chief Executive Officer or designee shall issue guidelines for the effective implementation of this policy including forms, timelines and protocols for volunteer applications, applicant review and completion of background checks. The guidelines may also include: (i) requirements for continuous volunteers to submit updated application forms or submit to a new background check, (ii) requirements for mandatory volunteer training, (iii) standards or restrictions regarding volunteer age or experience, (iv) standards and procedures for the revocation of a volunteer's approved status, (v) any volunteer health exam(s) requirements, and (vi) any other requirements necessary to ensure the proper oversight of CPS volunteers.

**SALE OF THE FORMER BUILDING C OF GEORGE WASHINGTON CARVER PRIMARY SCHOOL
TO PEOPLE FOR COMMUNITY RECOVERY**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

That the Board accept the offer submitted by People for Community Recovery, an Illinois not-for-profit corporation ("Purchaser"), in the amount of \$20,000, for the sale of the former Building C of George Washington Carver Primary School, located at 901 East 132nd Street, Chicago, Illinois ("Property"), and direct the Public Building Commission of Chicago ("PBC") and the City of Chicago in Trust for Use of Schools ("City"), as applicable, to issue a deed in the name of the Purchaser. Additional information pertinent to this transfer is provided below.

LEGAL DESCRIPTION AND PIN: See the attached Exhibit A.

SALE INFORMATION: The property is excess real estate consisting of a 58,175 square foot parcel that is improved with a 20,001 square foot vacant building that previously served as Building C to George Washington Carver Elementary School. The building has not been in use for over 30 years and is no longer needed for educational or administrative purposes.

Pursuant to Section 105 ILCS 5/34-21, the Board may negotiate the sale of surplus property that has a fair market value of less than \$25,000. People for Community Recovery submitted an offer to purchase the property for \$20,000, and they propose redeveloping the Property for use as the Hazel Johnson Center for Environmental Justice.

The Board will enter into a purchase and sale agreement with the purchaser in the amount of \$20,000, if this sale is approved by the Board.

RECOMMENDATION: The Property is no longer needed for educational purposes and the sale of the Property is in the best interests of the Board. The Board was pursuing the demolition of the building on the Property until the local community expressed the desire for the building to be saved and repurposed for other uses. The Board conducted an appraisal and the estimated fair market value was determined to be \$20,000. People for Community Recovery is pursuing a mix of financing for the redevelopment of the Property including grants from the National Trust for Historic Preservation and the Chicago Community Trust as well as New Market Tax Credits and Historic Preservation Tax Credits to help finance the project. The sale of the property will also eliminate the need for maintaining the Property and will reduce the Board's liability exposure.

Purchaser: People for Community Recovery
Address: 13330 S. Corliss Ave., Chicago, IL 60827
Contact: Cheryl Johnson
Phone: 773-840-4618

The Property is to be sold "**As Is Where-Is**". The Board is to be discharged of any and all future liability and responsibility for the Property after it is sold.

AUTHORIZATION: Authorize the Public Building Commission of Chicago and the City of Chicago in Trust for Use of Schools, as applicable, to issue a deed to People for Community Recovery for the Property described on Exhibit A, and such deed shall contain a use restriction that the Property shall not be used as a charter school or for the manufacturing of liquor or tobacco products. Authorize the General Counsel to take any and all actions required to effectuate this transaction. Authorize the General Counsel and the Chief Operating Officer to execute any and all ancillary documents required to administer or effectuate this transfer.

AFFIRMATIVE ACTION: Exempt.

LSC REVIEW: Local School Council approval is not applicable to this transaction.

FINANCIAL: Proceeds (\$20,000 less closing costs) to be credited to the Capital Asset Fund.

AMEND BOARD REPORT 24-0627-PR11
**AUTHORIZE THE SECOND RENEWAL AGREEMENT WITH VARIOUS VENDORS TO PROVIDE
SAFE PASSAGE SERVICES FOR DESIGNATED NEIGHBORHOODS**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Authorize the second renewal agreement with various vendors to provide Safe Passage Services to designated neighborhoods in an effort to target resources towards schools that are most at risk at an estimated annual cost set forth in the Financial Section of this report. A written document exercising this option is currently being negotiated. No payment shall be made to the various vendors during the option period prior to execution of the written document. The authority granted herein shall automatically rescind in the event a written document is not executed within 90 days of the date of this Board Report. Information pertinent to this option is stated below.

This August 2024 amendment is to correct a mistake on Board Report 24-0627-PR11, where the vendor SGA Youth & Family Services, NFP was listed twice. This amendment is also necessary to add the vendor Saving Our Sons Ministries, Inc. that was inadvertently left off Board Report 24-0627-PR11, and to decrease the maximum compensation amount to \$18,000,000 in order to align the Board Authority to the actual budget.
