Board of Education | City of Chicago

October 6, 2025

Sean B. Harden President, and
Members of the Board of Education

Enclosed is a copy of the **Agenda** for the **Agenda Review Committee Meeting** to be held on **Wednesday, October 8, 2025, at 10:30 a.m.** The meeting will be held at CPS Loop Office, 42 West Madison Street, Garden Level, Board Room. The purpose of the Agenda Review Committee Meeting is to review potential Board Reports to be considered by the Board at its Regular Meeting on October 23, 2025. The Board President and the Interim Superintendent/Chief Executive Officer have determined that registered speakers who wish to present during Public Participation may have the option to participate in person at the location of the Board meeting or virtually via an electronic platform. The public will have access to the meeting via live stream at cpsboe.org.

Public Participation Guidelines are available on www.cpsboe.org.

For the October 8, 2025 Agenda Review Committee meeting, advance registration to speak will be available beginning Monday, October 6th at 10:30 a.m. and will close on Tuesday, October 7th at 10:30 a.m. Anyone interested in speaking can sign up. After the 24-hour registration period, a lottery will randomly select a set number of speakers from those who registered. For example, if 100 people register, the lottery might select 30 of them to speak. This process gives everyone a fair chance to address the Board. Advance registration during this period is available by the following methods:

- Online: www.cpsboe.org (recommended)
- Phone: (773) 553-1600

To ensure equity of access to address the Board, an individual may not speak at back-to-back meetings and more than one meeting per month. If you register for back-to-back meetings and more than one meeting per month, you will not be included for that meeting lottery. In the event an individual registers to speak at a consecutive meeting, the individual will not be called to address the Board. However, if less than the allotted number of speakers register for a meeting, the limitation on speaking at consecutive meetings and/or more than once within a month will not apply, and those previously ineligible to speak will be reinstated in the lottery and may be eligible to speak.

Advance registration to observe will also be available beginning Monday, October 6th at 10:30 a.m. and will close on Tuesday, October 7th at 5:00 p.m., or until all slots are filled. Advance registration during this period is available by the following methods:

- Online: www.cpsboe.org (recommended)
- Phone: (773) 553-1600

Although Advance Registration is recommended, you can also register to observe a meeting on the day of an Agenda Review Committee Meeting via:

- Same Day in Person Observer Registration: 42 W. Madison Street lobby
- Registration Time: Opens at 10:15 a.m. and will remain open for the duration of the Agenda Review Committee Meeting

Same Day, In-Person Observer Registrations are taken on a first come, first serve basis as seats become available.

The Public Participation segment of the meeting will begin following the President's opening statement and proceed for no more than 30 registered speakers for sixty minutes. Registered speakers will receive instructions for Public Participation.

Members of the public may submit written comments for Board of Education meetings via the Written Comments Form on the Board's website at www.cpsboe.org or mailed to 42 West Madison, Garden Level. Written comments received between the day the public agenda is posted through 5 p.m. the day after the Board of Education meeting will be submitted to the Board and posted within five (5) business days on our website at www.cpsboe.org.

Sincerely,

Susan J. Narrajos
Secretary

Speaker Registration and Participation

1. Advance Speaker Registration Open Period:
    - Unless otherwise noted in the notice for the Board meeting, the Advance Speaker Registration opens 48 hours before the meeting. This usually means registration opens at 10:30 a.m. on the Monday before a Wednesday Committee meeting and at 3:00 p.m. on the Tuesday before a Thursday Regular Board meeting.
    - The Advance Registration Open Period will remain open for 24 hours.
2. How to Register:
    - **Online:** Visit www.cpsboe.org (recommended)
    - **Phone:** Call (773) 553-1600
3. **Randomized Lottery for Speaker Selection:** In order to provide more equity of voice during the public participation segment, a randomized lottery will be conducted to select speakers for any meeting where the number of registered speakers exceeds the number of slots available.
    - **Randomized Selection:** During a 24 hour registration period, anyone interested in speaking can sign up. After this time, a lottery will randomly select a set number of speakers from those who registered. For example, if 100 people register, the lottery might select 30 people to speak. This process gives everyone a fair chance to address the Board.
    - **Number of Speakers:** The Board will allocate no more than 30 speaking slots to members of the general public to speak to the Board.
    - **Notifications:** After the lottery, you will receive an email confirming whether or not you have been selected to speak. Instructions for participating in the meeting will also be provided.
    - **Applicability:** The randomized lottery applies to all Board meetings where advanced registration is available. This system will not only apply to Board Meetings, but also to other meetings where advanced registration is available, such as Committee meetings and Hearings.
4. **Participation:** Speakers who registered via the Advance Registration process will have the option to attend in person at the location of the Board meeting or via electronic/telephonic means.

5. **Limitations on Speaking:** To maintain a fair chance for speakers to address the Board, individuals may not speak at back-to-back meetings and may not speak at more than one meeting per month, with the exception noted below if less than the allotted number of speakers register.
    - If an individual registers for back-to-back meetings and/or more than one meeting per month, they will not be included for that meeting's lottery. This ensures more opportunities for the public to equitably address the Board.
    - However, if less than the allotted number of speakers register for a meeting, the limitation on speaking at consecutive meetings and/or more than once within a month will not apply, and those previously ineligible to speak will be reinstated in the lottery and may be eligible to speak.
    - Speakers may not cede their time to another person.
6. **Speaker Remarks and Submissions:**
    - Each speaker is given two (2) minutes to present their remarks and materials to the Board. Speakers must end their presentation upon the request of the Board Secretary when their time is up, to allow the next speaker to begin.
    - To comply with Chicago Municipal Code Chapter 15-4-880, which prohibits obstructions in exit ways, aisles, and passageways of public spaces to ensure safe and timely evacuation, the following guidelines will be enforced:
        i. A maximum of 10 persons may stand with a speaker (5 on each side of the podium), and they must remain within the designated floor markings along the glass partition. All other aisles, walkways, and exits must be kept clear at all times. Obstruction of these areas is prohibited and may impede emergency response.
    - All public presentations must be limited to issues of concern before the Board and/or related to the Chicago Public Schools.
    - Comments of a personal nature, unrelated to the operations of Board or CPS, directed towards individual Board members, employees of the Board, or any other individual are not permitted.
    - It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
    - All speakers must adhere to the Behavior Expectations in the following section.
7. **Order of Speakers:** The Board Secretary may group speakers according to a particular topic and may call certain speakers out of numerical order so that all comments regarding a particular topic may be heard together.

To ensure fairness to all participants, speakers not present when their segment begins will not be called upon after that segment has concluded.

Special Considerations

1. Union Representatives and Elected Public Officials:
    - Union representatives who are executive officers of Unions may address the board.
    - Elected city, state, and federal public officials may request to speak by contacting the Department of Intergovernmental Affairs at IGA@cps.edu.
    - Each union representative or elected public official is given five (5) minutes to present their remarks.
    - Union representatives and elected public officials may not cede their time to another person.
    - To ensure fairness to all participants, speakers not present when their segment begins will not be called upon after that segment has concluded.
    - To comply with Chicago Municipal Code Chapter 15-4-880, which prohibits obstructions in exit ways, aisles, and passageways of public spaces to ensure safe and timely evacuation, the following guidelines will be enforced:
        i. A maximum of 10 persons may stand with a speaker (5 on each side of the podium), and they must remain within the designated floor markings along the glass partition. All other aisles, walkways, and exits must be kept clear at all times. Obstruction of these areas is prohibited and may impede emergency response.
2. Interpreters:
    - An interpreter will be provided for those speakers who wish to make their remarks in Spanish. and Spanish-language interpreters are available. If you need an interpreter for a different language, please notify the Board Office at least two (2) business days before the meeting.
    - While speakers may choose to address the Board in Spanish, they will need to provide a written version of their statement the day prior to the meeting if they wish to have it translated into English during the meeting. Speakers who do not provide their statement in advance may still address the Board, but their statement will be translated and shared with Board Members at a later time.

3. Behavior Expectations:

    - The Board values and welcomes courteous, respectful, and civil behavior from all speakers and all persons attending a Board meeting. The Board expects speakers to limit statements to those relating to the operations of the Board or CPS, and refrain from comments of a personal nature, unrelated to the operations of the Board and CPS. It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.

    - Profane language, unsolicited comments, and disruptive behavior are prohibited. Individuals who are disruptive may be given a warning and may also be removed from the meeting, if necessary. If any individual is removed from a meeting as a result of disruptive behavior, the individual may forfeit their right of reentry to future Board meetings.

Written Comments and Other Participation

1. Submitting Written Comments:

    - Even if you are not selected to speak during Public Participation, you can submit written comments. Complete the Written Comments Form on the Board's website or send your comments by mail to 1 N. Dearborn, Suite 950, Chicago, IL 60602. Unless otherwise noted in the public notice for the Board meeting, written comments must be submitted between the posting of the Board meeting agenda and 5 p.m. the day after the Board meeting for consideration by Board members and inclusion in the meeting proceedings.

2. Media and Recordings:

    - The Board records the public participation portion of each Board meeting. The Board reserves the right to edit any and all portions of the recording from each monthly meeting. These recordings are aired on local cable channels for the convenience of the public. Members of the public can copy any portion of the public participation or business portion of the meeting from the televised broadcast or from www.cpsboe.org.

    - An area of the Board Room will be designated for members of the media who wish to cover the Board meeting. This number may be limited in order to accommodate as many public participants as possible. Guidelines and requirements for media access to Board meetings are issued by the Office of Communications.

3. Spanish Language Interpretation and Captioning:
    - To enhance accessibility, the Board is committed to implementing Spanish interpretation for online viewers and Spanish captioning for archived content as soon as practically possible.

APPROVE APPLICATION FOR SCHOOL CODE WAIVER REGARDING PHYSICAL EDUCATION

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Chicago Board of Education (the "Board") approve an application to the Illinois State Board of Education (ISBE) for a waiver from Illinois School Code requirements regarding physical education in grades K-8. Upon approval of this Board Report, the waiver application described below will be forwarded to the ISBE.

PUBLIC HEARING AND NOTICE:

A Public Hearing on this waiver application was held on October 23, 2025, in accordance with Section 2-3.25g of the Illinois School Code. Notice of the Public Hearing was posted on the CPS and Board websites on October 9, 2025, published in a Chicago newspaper on October 16, 2025 and provided to Illinois state legislators who represent Chicago and collective bargaining agents on October 16, 2025 as required by Section 2-3.25g of the Illinois School Code.

DESCRIPTION OF THE WAIVER APPLICATION:

CPS is requesting a waiver of 105 ILCS 5/27-6 for students in kindergarten through 8th grade. This waiver would permit CPS to allow students in kindergarten through 8th grade to engage in a course of physical education for a minimum of 2 days per 5-day week instead of 3 days per 5-day week.

The application enumerates the reasons for seeking the waiver, namely this would be more effective and efficient due to facility limitations.

WAIVER TERM: The waiver application requests a five-year period which covers the 2026-2027 school year through the 2030-2031 school year.

.

AUTHORIZATION: Authorize the Chief Executive Officer or designee to execute the waiver applications described above and submit it to ISBE in accordance with Section 2-3.25g of the Illinois School Code.

PURPOSE:
The purpose of this policy is to establish standard operating procedures required in the maintenance of Automatic External Defibrillators (AED) in Chicago Public Schools, establish a district Cardiac Emergency Response Plan (CERP), and provide clear guidelines on CPR and AED certification requirements. NOTE: Agenda items are subject to change from Agenda Review Committee to the final public agenda. The Chicago Board of Education reserves the right to remove and/or add an agenda item to the Public Agenda prior to Board vote.

authorized software that is deemed necessary for business use by Department/School Management. Such software must not compromise the security or integrity of the CPS Network or Computer Resources and must not interfere with the proper functioning of required CPS software. ITS may remove User installed software at any time in order to preserve or protect the CPS Network or Computer Resources or for any other reason deemed necessary by ITS.

In compliance with SOPPA, Users can only use approved educational technologies. Approved for use educational technologies are available on the SOPPA website and must meet the following criteria: have been approved under the SOPPA policy; all agreements between the Board and the provider are posted on the District's SOPPA website, and all of the data elements are listed on the District's website, whether the product is provided at a cost to the Board or free of charge.

F. Network Usage. CPS Network access and bandwidth is provided to schools for academic and operational services. CPS reserves the right to prioritize network bandwidth and limit certain Network activities that are negatively impacting academic and operational services. Use of proxy servers or virtual private networks to bypass Network security systems (firewalls, etc.) is strictly prohibited.

G. Network Security. The CPS Wide Area Network (WAN) infrastructure, as well as the building-based Local Area Networks (LANs) are implemented with performance planning and appropriate security measures in mind. Modifications to an individual building network infrastructure and/or use will affect LAN performance and will reduce the efficiency of the WAN. For this reason, any additional Network electronics including, but not limited to, switches, routers, and wireless access points must be approved, purchased, installed, and configured solely by ITS to ensure the safety and efficiency of the network. Users are prohibited from altering or bypassing security measures on electronic devices, Network equipment, and other software/online security measures without the written consent of the CIO. Anyone utilizing the CPS Network understands and acknowledges that CPS security systems may intercept and decrypt traffic in order to analyze traffic for security risks or content filtering purposes. Devices connected to the CPS Network may be disconnected if any security risk is identified that places the rest of the Users, Network systems, Computer Resources or data at risk. Situations would include but are not limited to devices infected with malware, unauthorized network scanning systems and applications that bypass Network security.

H. Filtering and Blocking. CPS is required to protect students from online threats, block access to inappropriate content, and monitor internet use by minors on school networks in accordance with CIPA. ITS is responsible for managing the district's Internet filter and will work with School Management to ensure the filter meets the academic and operational needs of each school while protecting minors from inappropriate content. Additionally, under an ITS-managed program to allow schools limited controls over the web content filtering policies for their relevant schools, a school principal or their designee may be provided secure access to the web content filtering systems. School staff with access to manage the policies affecting the Internet must ensure the district does not violate CIPA or other compliance requirements. The principal will ensure the school remains in compliance with all requirements to participate in the program as set by ITS, otherwise access to the additional controls will be revoked and the school web content filtering policies will be reset to the current district-wide policy settings.

I. Remote Access. Remote access to the CPS Network is allowed only through ITS-authorized remote access solutions and will always require two factor authentication.

J. Third Party Systems. CPS provides Users with the means to communicate through a variety of district-owned or leased systems located on the CPS Network in order to effectively conduct district

operations. Users may not circumvent the requirements of this policy or other Board policies by using a third party system to communicate when a similar system is otherwise available on the CPS Network. To the extent that a particular system is not available on the CPS Network, User's use of a third party system is subject to approval by the Chief Information Officer (CIO) or designee. If approved, such use is subject to the requirements of this policy and other applicable Board policies as well as any other requirements specified by the CIO. In such cases, the User is solely responsible for ensuring compliance with all such policies and requirements. Nothing herein is intended to limit prior Board mandates for Users to use only the Board's email system, student information system, remote access solution and any other mandates that may be established in the future by the CIO or the Board.

K. New Technologies. The requirements of this policy apply to all technologies currently in use on the CPS Network, those technologies authorized by ITS for use by a school, office or departments, and those technologies that may be used in the future on the CPS Network. ITS shall establish guidelines on the use of any new technology approved for use on the CPS Network or for use by a school, office or department.

M. Unauthorized Access and Data Tampering. Users are prohibited from (1) using their authorized access to a CPS Network system to falsify, misreport, misrepresent, make unauthorized changes or deletions or otherwise tamper with CPS data; and (2) entering, changing, moving or copying data in a CPS Network system that the User has no access or entry authorization rights to such system. Any entry, modification or deletion of CPS data by an unauthorized User is considered tampering and is prohibited. Users are subject to discipline for any unauthorized access to a CPS Network system or Computer Resources and for their acts or omissions that allow others to gain unauthorized access.

N. Artificial Intelligence. CPS is committed to equipping staff with AI Literacy to ensure staff have the business and educational tools and knowledge to thrive in the age of AI. ITS is responsible for ensuring AI systems are responsibly developed, human-centered, thoroughly tested, and continuously monitored to promote dynamic, forward-looking and continuous learning and innovation solutions, for business and the classroom. Staff must use CPS approved tools. For CPS guidance and ethical use of AI, review the AI Guidebook at cps.edu/aiguidebook.

Users are not allowed to automatically forward CPS email to a third-party email account (e.g., Outlook, Gmail, etc.) to conduct work in a preferred platform. Email sent by Users in their capacity as representatives of the CPS must be sent from their CPS email account, with Board authorized return addresses. User emails are subject to retention by ITS in accordance with the Board's Email Retention Policy. If a User inadvertently sends or receives an email related to their work duties on their personal email account, the User shall forward the email(s) to their CPS email account.

B. Confidentiality. Users must exercise due care to ensure that email messages containing PII or confidential information conform to the confidential transmission requirements noted herein and are transmitted only to their intended recipients. Users are prohibited from transmitting Social Security

The transmission of SSN information via email must only occur via secure means, where the sensitive information is encrypted and only sent by and/or received by intended parties. Users shall abide by the ITS Guidelines and standards on the classification, handling and email transmission of PII and other confidential information, including applicable encryption requirements.

When communicating with a student's parent/guardian, Users should use verified email addresses listed in the Board's student information system, unless steps have been taken to verify an alternate email address to ensure the communication is provided to the proper persons with authorization to receive information regarding the student.

C. Broadcast Emails. The Office of Communications shall establish guidelines by which broadcast emails may be authorized for distribution. Users may transmit broadcast emails only when authorized in accordance with such guidelines. Any links to attachments on broadcast emails must be hosted on a CPS-authorized source and vetted to ensure that the file does not contain PII or confidential information and must comply with ITS security standards established for the bulk communication tool.

D. Freedom of Information Act (FOIA). Any communication sent by or to a User using the CPS Network or Computer Resources could be subject to public access requests submitted through FOIA. Further, data and other materials and files maintained on the CPS Network or Computer Resources may be subject to review and disclosure under FOIA or discovery. Use of personal email accounts, personal social media and other personal electronic communication systems to conduct school business is prohibited and may cause a User's personal accounts to be subject to FOIA and other inquiries.

VIII. Mobile Device Communication.

A. Use of Mobile Devices for CPS Business. Use of a Board-Issued Mobile Device or Personal Mobile Device to conduct district business must comply with the mobile device use standards issued by the CIO. B. Mobile Device Communications with Student(s). The use of personal mobile device, personal email address, or personal social media account to connect with a student or recent graduate may create the appearance of an inappropriate relationship or constitute grooming, which is prohibited by CPS's Reporting, Abuse, Neglect, and Inappropriate Relations Between Adults and Students Policy. Users are prohibited from communicating with a student via (1) a student's mobile device, whether phone, text or instant message, (2) a student's personal email account (communications to the student's CPS email account is permitted), (3) any Personal Social Media account or non-CPS Social Media account, and (4) any group messaging app other than the CPS-provided or approved app (currently CPS-Google ~~Hangouts~~Chat), subject to the following exceptions:

ITS is responsible for managing the district's internet filter and will work with school administrators to ensure the filter meets the academic and operational needs of each school while protecting minors from inappropriate content per CIPA. The district's use of filtering software does not negate or reduce a student's obligation to abide by the terms of this policy and to refrain from disabling filters or accessing inappropriate content online. Parents should be aware that, despite the district's good faith efforts at filtering, objectionable content might be available either due to an individual using unauthorized means to bypass filtering or as a result of the creation of objectionable content that has not yet been identified by filtering software.

In addition to the use of filtering technology, ITS may also block access to certain websites when required by law, when their use may interfere with the optimal functioning, or when among other things, the website may compromise the security of the CPS network or computer resources. ITS shall establish standards and procedures by which individual websites may be authorized for blocking or unblocking of access from the CPS computer network or otherwise disabling or modifying the district's technology protection measures. RESCIND BOARD REPORT 12-0627-PO2
INTERNET SAFETY

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board adopt an Internet Safety Policy.

PURPOSE: The Board intends to establish a separate stand-alone policy that enumerates internet safety measures that the District will continue to implement to protect students from accessing inappropriate material over the Chicago Public Schools' (CPS) computer network. This policy further identifies curricular measures the District will continue to implement to educate students about internet safety and appropriate online behavior. The requirements set out in this policy are intended to ensure CPS compliance with the Children's Internet Protection Act (CIPA) as well as state requirements for internet safety education.

HISTORY OF BOARD ACTION: On June 26, 2002, the Board adopted amendments to its Policy on Student Acceptable Use of the CPS Network to include new internet safety provisions in compliance with CIPA (Board Report 02-0626-PO04.) The Board subsequently adopted a modified Policy on Student Acceptable Use of the CPS Network (Board Report 03-0326-PO03), which superseded the previous policy yet maintained the internet safety provisions. On June 26, 2002, the Board adopted amendments to its Policy on Use of the Internet, CPS Intranet, Electronic Mail and Computer Access by Authorized Users to include internet safety provisions in compliance with CIPA (See Board Report 02-0626-PO03). This policy addresses the use of the CPS network by employees and other adult users. The Board modified this policy under Board Report 04-0428-PO2, which superseded the previous policy yet maintained the internet safety provisions. On July 22, 2009, the Board adopted a new policy on the Acceptable Use of the CPS Network and Computer Resources (See Board Report 09-0722-PO3) which rescinded Board Report 04-0428-PO2, but maintained the provisions pertaining to internet safety.

POLICY TEXT:

I. Introduction

It is the policy of the Chicago Board of Education: (a) to prevent use of the CPS computer network to access or transmit, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) to prevent unauthorized access to the CPS computer network and other unlawful online activity; (c) to prevent unauthorized online disclosure, use, or dissemination of student record information; and (d) to comply with the Children's Internet Protection Act also with federal and state requirements for internet safety education for students.

II. Access to Inappropriate Material

As required by law, CPS uses technology protection measures to block or filter internet sites for inappropriate material that is harmful to minors and prohibit access, to the extent possible, to such content found on the internet. In addition to the use of filtering technology, the Office of Information & Technology Services (ITS) may also block access to certain websites when required by law, when their use may interfere with the optimal functioning, or when among other things, the website may compromise the security of the CPS network or computer resources. ITS shall establish standards and procedures by which individual websites may be authorized for blocking or unblocking of access from the CPS computer network or otherwise disabling or modifying the district's technology protection measures. All blocking and unblocking decisions will be made by ITS in compliance with applicable laws and the requirements of this policy. Technology protection measures may be disabled for District administrators,

supervisors or
other authorized staff to access materials via the internet for bona fide research, legitimate educational purposes or other lawful purposes.

III. Inappropriate Network Usage

To the extent practical, steps shall be taken to promote the safety and security of users of the CPS network and when using the CPS computer resources. The District takes reasonable precautions to prevent (a) the unauthorized access, including so-called 'hacking' and other unlawful activities, and (b) the unauthorized disclosure, use, and dissemination of student record information. These precautions include, but are not limited to: network provisioning protocols, confidential passwords, network firewalls, data encryption, electronic monitoring and physical data security.

IV. Student Internet Safety Education and Supervision

Each school shall incorporate into the school curriculum a component on internet safety to be taught at least once each school year to all students. The Chief Education Officer or designee shall determine the scope, age-appropriate components, duration and topics covered in this unit of instruction. At a minimum, the unit of instruction shall address: (a) safety on the Internet; (b) appropriate behavior while on online, on social networking Web sites, and in chat rooms; and (c) cyberbullying awareness and response. The unit of instruction may be incorporated into the current courses of study regularly taught.

Each school shall satisfy the documentation requirements established by the Chief Education Officer or designee to ensure compliance with this curricular requirement.

In addition, the school principal shall ensure that school personnel supervise students for appropriate usage of the CPS computer network and access to the internet in accordance with this policy and ensure the CPS computer network is used to support the school's educational program.

V. Monitoring

ITS has the right to access, search, read, inspect, copy, monitor, log or otherwise use data and information stored, transmitted and processed on CPS computer network and computer resources in order to execute the requirements of this policy. CPS network including but not limited to internet and email usage may be monitored and audited by Department/School Management and ITS for inappropriate activity or oversight purposes. ITS reserves the right to: (1) access and make changes to any system connected to the CPS computer network or computer resources to address security concerns, (2) deny User access to any system to address security concerns, and (3) determine what constitutes appropriate use of these resources and to report any illegal activities. ITS may intercept and/or quarantine e-mail messages or other electronic communication for business, legal or security purposes.

The CPS computer network and computer resources are for educational and business use only. Even with the technology protection measures and other mandates contained in this policy, the Board cannot guarantee that a student or staff member will not gain access to objectionable or inappropriate Internet material.

VI. Adoption

This Internet Safety Policy was adopted by the Chicago Board of Education at its regular monthly Board Meeting held on June 27, 2012, following standard public notice procedures and compliance with public participation requirements and other applicable statutory requirements for conducting its monthly meeting.
